

**PRODUCT SAFETY DATA SHEET****AQUA CLEAN TABS 1.08g**

Date of Issue 01-01-2006

1. Identification of Substance/Preparation and Company Undertaking

Product Name	AQUA CLEAN TABS Water Purifying Tablet	Manufacturer: Clean Tabs Ltd Unit 6 Spring Gardens Inds. Estate Whitland, SA34 0HZ
Telephone No:	+ 44 01994-240925	
Fax No:	+ 44 01994-241353	

2. Compositional Information on Ingredients

Substances presenting a health hazard within the meaning of EEC Directive 91/155

Product Name:	Troclosene Sodium	Adipic Acid
CAS No:	2893-78-9	124-04-9
Conc. Range:	37% w/w	10-305 w/w
S phrases:	S2, S8, S26	-
Symbol:	O, Xn, N	Xi
MEL/OES	OES	-

3. First Aid

Eye Contact:	Irrigate eye immediately with plenty of clean water for at least 15 minutes. If irritation persists seek medical advice.
Skin Contact:	Irrigate the affected area with water for 15 minutes.
Clothing Contamination:	Where clothing has been contaminated, remove the clothing and irrigate underlying skin with water as above. Contaminated clothing must be laundered before re-use.
Ingestion:	If taken orally, internal damage can result. Remove dentures if worn and drink copious amounts of water or milk. Do not induce vomiting. Seek medical attention.
Inhalation:	Remove the affected person to fresh air, rest and keep warm. Seek medical advice

4. Fire Fighting Measures

Product is non-combustible. Heat can cause liberation of small amounts of chlorine gas. Hose down with water to keep cool. Do not use dry fire extinguishers containing ammonium compounds.

5. Accidental Measures

Small spillages can be flushed away with water. Larger spillages are mixed with sand or earth and removed in a suitable container for transfer to an approved chemical tip. Alternatively flush to drain with copious quantities of water.

6. Handling and Storage Precautions

Operators are recommended to use gloves. Store in a cool dry place away from foodstuffs. Keep strips in container when not in use. Keep away from children.

7. Physical Properties

Appearance and colour:	White Bevelled Tablet	Odour:	Characteristic chlorine odour
pH	As is – not applicable	pH	In solution – 5.0 to 6.0 approx.
Solubility in water:	Freely soluble	Oxidising Properties:	Not oxidising
Flash Point:	Not Inflammable	Explosion Properties:	None

8. Stability/Reactivity

Conditions to avoid	Stable under normal conditions
Substances to avoid	Do not mix with other chemicals. Avoid organic materials, oils, grease, sawdust, reducing agents, nitrogen containing compounds.

9. Toxicological Information

Inhalation:	Inhalation of NaDCC is irritating to the nose, mouth, throat and lungs.
Ingestion:	Ingestion of NaDCC can cause irritation to the gastrointestinal tract.
Skin & Eye Contact:	Contact with NaDCC can cause severe irritation characterized by redness and swelling
Toxicological Data:	
NaDCC – Acute Toxicity	
Oral LD50 (rat)	ca. 1825mg/kg
Eye Irritation (rabbit)	Severe irritant
Rabbit Dermal LD50	>20,000mg/kg
Carcinogenicity	
This chemical is not considered to be carcinogenic by any reference source.	

10. Ecological Information

NaDCC is toxic to fish. Do not discharge in bulk into lake, ponds, streams or public water unless in accordance with the permit of official regulations.

11. Disposal Consideration

Chemical	Disposal should be done in accordance with all official regulations.
Container	Offer for recycling.

12. Transport Information

Keep Container strictly dry
Keep away from FIRE, HEAT, FLAME & DIRECT SUNLIGHT.
Keep out of reach of children

13. Regulatory Information

Label Details:

Label Name:	Aqua Clean Tabs	
Safety Phrases:	S2	Keep out of reach of children
	S8	Keep container dry
	S26	In case of contact with eyes, rinse immediately with plenty of water and seek medical advice

14. Other Information

The information herein is based on data considered to be accurate as of the date of preparation of the Product Safety Data Sheet. However, no warranty or representation, expressed or implied, is made as to the accuracy or completeness of the foregoing data and safety information. The user assumes all liability for any damage or injury resulting from abnormal use, from any failure to adhere to recommended practices or from any hazards inherent in the nature of the product.
